Dear Mr/Mrs/Ms.

An appointment has been made for Dr _____, to see you at your home on:

Thursday 15th November 2012 between 10.00am and 2pm

It would be helpful if a family member or friend could attend this appointment with you. ***It would also be helpful if you could have with you a list of all your current medication (prescribed and over-the-counter)***

Unfortunately due to other patients being seen in your area on the above date a set time for the doctor to visit cannot be given, however if you require a set time appointment please telephone me on the above number and I will be happy to arrange a clinic appointment.

Yours sincerely

Medical Secretary

Option 1 (as used in the Project)

**If you are interested in finding out more about clinical research,
please ask your doctor or nurse.**
